

## “Safety – A Wake-Up Call”

### **THEMES/LEVELS OF PRACTICE:**

Reinforce the concept of safety as a culture where employees are accountable for their own safety and the safety of their coworkers.

**SESSION TITLE:** Safety - A Wake –Up Call

**PRESENTOR:** Randy Snow/NO?XQs, Inc.

**LENGTH:** 30 minutes to 1.5 hours

### **DESCRIPTION**

Randy’s story of his own unforgettable accident and his blend of humor and audience participation impacts at every level. Sighting *arrogance, outside distractions, complacency* and *the lack of courage*, Randy addresses the fallbacks that affect most job-related injuries. *Safety – A Wake-Up Call!* is powerful, inspiring and lasting. Captivated employees will ultimately understand the price for unsafe behaviors.

### **LEARNING OUTCOMES:**

- Underscore four fallbacks of work related injuries
- Explore six case studies and conduct four interactive exercises, creating an environment of participation-based learning
- Analyze seven safety recommendations that raise safety awareness and heighten consciousness
- Examine four preventative techniques to create an accident free work place

### **TARGET AUDIENCE:**

Corporate/Senior Management

Management/Supervisors

Customer Contact Staff/Craftsman/Consumers

### **AUDIO/VISUAL NEEDS:**

Lapel microphone and if over 100 people a raised platform
